ST. ANJANI'S PUBLIC SCHOOL

CBSE CERTIFIED HIGH PERFORMING SCHOOL

CBSE has designated our school as future ready by imparting quality education, adoption of innovative pedagogies, experiential & active learning with a focus on skills, arts & sports capacity building of teachers & holistic development of the child.

St. ANJANI'S PUBLIC SCHOOL

**Lead Collaborator of
Hubs of Learning Created by CBSE**

On Account of being a High Performing School in terms of overall quality of education.

The School emblem shows a lotus, a hammer and a grain leaf in a circle. The lotus is our national flower and signifies blossoming in adversity and spiritual beauty. It motivates the students to have a beautiful mind along with a graceful fit body. The hammer signifies dignity of labour and hard work. The leaf of grain stands for greenery and prosperity of our country. Deep respect must be instilled in our children for our farmers.

Blessings from the Founders

"50 Years of Legacy"

Mr. M.D. Saxena
Founder President

St. Anjani's Public School proudly celebrates five decades of excellence in education, guided by the visionary leadership of its founders, Madam Heeru Saxena and Mr. M. D. Saxena. The institution was established with a clear and enduring purpose — to provide quality, inclusive and affordable education to students from all sections of society, empowering them with knowledge, strong values and life skills.

Madam Heeru Saxena
Founder Manager

Over the past 50 years, the school has evolved in step with national educational reforms while remaining rooted in its founding ethos. In alignment with the CBSE curriculum and the National Education Policy (NEP) 2020, St. Anjani's Public School emphasizes holistic development, critical thinking, experiential learning, ethical values and learner-centric education.

The school takes pride in its vast alumni network, comprising lakhs of former students who have excelled in diverse fields such as the Indian Administrative Services (IAS), ISRO, engineering from premier institutions including IITs, hotel management, aviation, defence services, medicine, education, RJs, Film Industry, entrepreneurship and every possible field of public service. Their achievements reflect the strong academic foundation, discipline and value-based education imparted at the school.

In true spirit of NEP 2020, the legacy of St. Anjani's Public School is not limited to academic success alone. It is reflected in the development of confident, compassionate, responsible and skilled citizens who contribute meaningfully to society and the nation. Each graduating batch carries forward the institution's commitment to integrity, social responsibility, love for nature and lifelong learning.

As we mark 50 years of happy schooling and shining futures, St. Anjani's Public School reaffirms its dedication to nurturing young minds through competency-based education, inclusive practices, multi disciplinary exposure, and strong moral values, ensuring that the legacy envisioned by its founders continues to flourish for generations to come.

AN APPEAL TO TEACHERS

From a school Principal who survived the Nazi camp

A school Principal who survived the Nazi camp, wrote, "I am a survivor of a concentration camp. My eyes saw what no person should witness. Gas chambers built by learned engineers. Children poisoned by educated physicians. Infants killed by trained nurses. Women and babies shot and killed by high school and college graduates. So, I'm suspicious of education. My request is, help your students to be human. Your efforts must never produce learned monsters, skilled psychopaths, or educated maniacs. Reading and writing and spelling and history and arithmetic **are only important if they serve to make our students more human.**"

Hoping to see your child significantly contributing to the development of our nation.

SCHOOL HISTORY...

Our Founder Manager Madam Heeru Saxena was instrumental in setting up the first school of Rajajipuram in 1976 in B Block. It was inaugurated by MP, Smt Mohsina Kidwai on 14th January 1976. Madam Heeru Saxena was also responsible for getting the first bus started from Rajajipuram and the first police station. She was always pro active in going to meet the concerned authorities for public welfare. The then Chief Minister, Babu Banarsi Dass, held her in high regard. When he came to inaugurate the stone for naming of the new colony, it was named Begum Hazrat Mahal Nagar which was opposed by her and all senior citizens on grounds that no city should have two similar sounding names. The Honorable CM left it to her to suggest another name. She decided to call it Rajajipuram after Shri C. Rajgopalachari, the first Governor General of Free India and a great advocate of Hindi language in south Indian states. Hence, the first bus service, the first police station and name of our colony is all thanks to her zeal and efforts. In 1980, when Shri Chandrashekhar, former Prime Minister of India, visited Rajajipuram, to lay the foundation stone of the new building, he greatly appreciated the unique name of the new colony, paying homage to the great leader. Madam Heeru Saxena was the President of Indo Soviet Cultural Society and was sent as a part of a Central India delegate to visit 16 countries of USSR in 1988. She was a champion of girl education, communal harmony and women empowerment. Her social and political drives led to a better and inclusive society at grassroot level.

Message from the Managing Director

Dr. Taru Saxena

Managing Director

Ph.D. (Maryland State University, USA), LL.B.(Hons.),
Dip. In Personnel Management & Industrial Relation,
PG Diploma in Counselling & Communication

A 21st-century school must prepare learners not only for careers, but for leading a happy, healthy and wholesome life. While technology, innovation, and global exposure define modern education, our values remain its moral compass. The true purpose of schooling today is to nurture competent individuals who are also compassionate, ethical and socially responsible citizens. As we complete half a century of value-based schooling, we must remember that as a 21st century school, academic excellence goes hand in hand with strong character building. Along with digital literacy, critical thinking, creativity and collaboration, students are guided to practise honesty, respect, empathy, discipline and integrity. Education is not limited to textbooks. The school calendar is scientifically (based on Dr. Howard Gardner's Theory of Multiple Intelligences and Bloom's Taxonomy) curated so that it extends to real-life experiences, community service, teamwork and responsible decision-making. Teachers act not merely as instructors but as mentors and role models, creating an inclusive and safe environment where every child feels valued. Technology is used as a powerful tool to enhance learning, not replace human connection. Cultural heritage and ethical traditions are respected & celebrated, even as students are prepared to thrive in a global and rapidly changing world. By blending modern pedagogies with timeless values of St. Anjani's, we shape confident, mindful learners—individuals who can lead with knowledge, act with conscience and contribute positively to society.

**“Life is all Froth & Bubble, Two Things Stand in Stone
Kindness in Another's Troubles, Courage in One's Own”**

PROFILE

Dr. Taru Saxena is currently the Managing Director of St. Anjani's Public School, a Co educational CBSE school at Rajajipuram, Lucknow established in 1976. She is a core member of the prestigious Eduexcellence programme being run by IIT Delhi, Department of Management Studies, for transformational leadership in schools in collaboration with education departments of Australia, USA and UK. She is a professionally qualified lawyer specializing in Consumer Protection and a member of Lucknow Bar Association. She is senior partner in MAX LAW FIRM,

one of the most reputed firms of corporate lawyers in Lucknow. A trained and certified counselor, she has her own counseling firm Thinking Tree Counselling Solutions to counsel and guide adolescents. Having been one of the finalists of LEAD INDIA by The Times of India, from Lucknow, her leadership skills are exemplary. She has been honoured with a number of awards for being a young achiever and a distinguished edupreneur. She is also the elected Vice President of La-Martiniere Girls' Alumni Association. She is a member of many committees for prevention of sexual harassment of women at workplace. She is a passionate car rally driver and has won prizes in various car rallies. She was felicitated by Shri Anupam Kher on International Women's Day for outstanding woman achiever award of Hindustan Times. She is the chief patron of YOU ME & Deaf Community, which runs a school for deaf and mute children in Gomti Nagar, Lucknow. Under her able leadership, our school has been awarded HAPPY SCHOOL AWARD from Eduexcellence Society, IIT Delhi as well as Excellence in School Administration Award. Our school is 3 times consecutive winner in District and State Yog Championship. Our school won the Bronze at National Yog Competition and was the only school to represent CBSE at Patanjali Yogpeeth, Haridwar, UK. Her emphasis on physical and spiritual fitness has led to evolution of a new generation of mindful learners who are doing well in every sphere of life and giving back to society too.
